Customer Reviews

This book is a wonderful reminder of the true meaning of Christmas, about the birth of Jesus Christ. It is so easy to get caught up in the hustle and bustle of the season that many forget "Jesus is the Reason for the Season." Children will enjoy reading this book written in a storybook style with colorful pictures to enhance the story as they learn about God's gift to the world. A recommended read!

When my children were little, we always had a birthday cake at Christmas to remind us the reason for the season was Jesus' birth. This little book is a very complete, but simple tale of Jesus' birth. It is the Bible story in easy terms for a child to read again and again. It is also a good story to read on Mom or Dad's lap. Why this book, when you have your Bible? This book is in child's language and has beautiful pictures to help explain the story. Many children's stories do not tell the true Bible story. This one does. Happy Christmas! Theresa Lepiane Author of the Thanksgiving Favorite! Say Thank You

This was a very basic book. Story was accurate and I was glad the author included the fact that the Wise Men visited Jesus well after His birth at "the house". Yet the picture was of the Wise Men at the manger! Not impressed...sorry.

This is a great book for you to share with young children. It is a very easy to share the true meaning of Christmas in a way that children can understand. It also includes some very excellent pictures for the kids...and their parents to enjoy.

In addition to this popular book, parents might also want to get a copy of "The First Christmas" at: <http://www..com/First-Christmas-I-Flair-ebook/dp/B00NQA0G0K/> It is especially written for parents to read aloud to their youngest children. It tells the true story of the birth of Christ in a way that children can completely understand and enjoy.

I paid \$3.77 for this? That one reviewer was right about the pictures being very cheesy. But it was also just so short! It could have had more information and still have been appropriate for kids. Want

a refund!

This was a waste of money! The pictures were an unrelated collection of toys or stock photos, seemed like cut and paste. Writing was uninspiring when this subject is all about joy and inspiration. Boring for children flat and tasteless for adults!

Me and my daughter who is just 1 month old love this book I have to read it every night for her to go to sleep. But the important thing is that you teaching kids about Jesus me and my family just thank you very much for this book have a happy holiday from Vannesa vida
