Prophets Dictionary

Synopsis

The Prophet's Dictionary by Paula Price is an essential tool for laymen, prophets, prophesiers, pastors, intercessors, and dreamers of dreams. As an all-in-one dictionary and reference book containing over 1,600 relevant definitions of terms and phrases for the prophetic realm of Christian ministry, it exposes ancient religious seductions and how they have infiltrated movies, television, and books. Prophetic visions and clues to interpreting their symbolism, imagery, and signs are also included. People from all walks of life can benefit as this book aids in the understanding of what may be expected from prophets or the prophetic ministry. Delve deeper and you will find much more. God speaks to us today!

I was very excited when I flipped through this book in my local Christian bookstore. I am a pastor and seminary professor and always looking to find good background information on the Bible. When I got this book, I was shocked at all the craziness within the pages!! This book is filled with errors. For example, under the section of "NIMROD" the author states; "Truly, this was a man prepared for the call on his life, which was to supply the children of Adam from Cain's lineage with an alternative culture and religion..." Nimrod lived after the flood. The entire lineage of Cain ALL DIED IN THE FLOOD!! Only Noah and his wife and kids survived. This is basic Bible 101. This is only one example of the errors in this book and there are hundreds!! She states that MELCHIZEDEK was "the priest of all creation, he officiated at the only Creator altar on the planet to propitiate the damage

done by Lucifer's rebellion and the subsequent demonic host evicted from heaven to terrorize the earth."She states that Daniel was a prophet and the CHIEF OF THE MAGI in Babylon!She states that Jehovah stopped the use of CAVES OF DIVINATION because people were worshipping other gods beside Him.She states that Adam reigned over the earth for 70 years after his exile from Eden, then was dethroned by the serpent. (See SACRED NUMBERS)She teaches that God was not the actual agent of creation, nor the one who controls the destiny of nations because there are PROTOCRATIC forces and PROTOCRATIC AGENTS (aka- angels) who did and do this for Him.And the list goes on and on and on...Where is she getting this information??

When I purchased this book a few years back, I was drawn by the titled because of the connection to the prophetic. I use to watch Paula Price on tv as a guest speaker or via program she had. I was intrigued by her self assurance as a speaker and respected her and for what she shared. From her testimony she shares of being into the occult and then became a Christian. Her book depicts much research and hard work put into it. I figured there was much to learn from her book that I may not have learned about as a resource after the written Word. As a believer I have for many years relied and still do from the bible for answers in the area of dreams, VISIONS and the symbolic language of the bible. To be honest I found some help from the book minus all the occult stuff that I feel she had the need to share. I took all that occult definitions as a grain of salt and as plain definitions. I found no use in learning about those areas and felt it difficult to receive in my spirit for those who understand the term receive. Realizing that the more I tried to read it, the more I knew it was not a book for me to keep in my home, so I got rid of it. I am not saying Paula's intentions were wrong but they were more like iron and clay...both did not mixed for ME. I purchased a hard copy and Paula Price is a known speaker who talks with passion and I wish her Gods best and the Holy Spirits guidance in her life. The dictionary (manual) book she wrote is like her titled ..a dictionary. However, I just want others to be careful what you allow your eye gate to read as you ingest the book. Sometimes, hunger for spiritual things can lead you to read something in an innocent way but can be unhealthy. Remember that the bible is the source and everything is resource.
