## Customer Reviews

These Old Farmer's Almanac for Kids are great books with a lot of information in them. Most of the subjects they present are things that one usually does not know. And of course it is related to "old Farmers" - me included in that. I buy them for my Grandsons but try to get a copy for me as well. Phyllis T.

My 9 year old daughter really enjoys the various stories. They are informative and interesting. Really glad I made this purchase.

Great for kids that want to know interesting information.

It was not really that great
