Customer Reviews

I ordered this book to share with my grandchildren and was not disappointed. It is a great resource to spark discussion and critical thought (a skill most people are lacking). I highly recommend it to parents and grandparents - you will be rewarded with the interaction it inspires.

We bought this for friends and they read it to their infant often - they love it! Each letter asks questions in poem-form. Here are some letters I remember from a read-through (it's not complete though - there is a website for the book - [...]) :R is for reality - What is real? G is for god - Is there one? A is for answers - Are they within? H is for happiness - Is pursuing happiness our purpose on earth.

The book is well written, the illustrations are great and I liked the questions. I found some questions to be too deep/abstract for my students. For example? What is justice?

This book is setting up my 3 month son to follow in his old man's footsteps. Thank you for making this gem.
