Customer Reviews

I have been reading the *What on Earth am I Here For: Purpose Driven Life* book and have really enjoyed reading the daily devotionals and listening to the QR audio clips. I was really excited to get this journal as I was hoping it would be a true companion to the book/audio series. It is only slightly more than a journal. It has some of the same reading from the books with lots of lines/pages for you to journal in. I had expected more questions or directions given as to what to write but its really an open journal with some Purpose Driven lines to read in between.

This book and the corresponding materials are life-changing. The journal affords you additional writing space to jot down reflections, ideas, or thoughts on the material from that day's lesson. It's a

great companion tool and well worth the additional money.

Very nice product. Inspirational sayings throughout. Very nice journal to keep your thoughts and dreams in. You will like it very much.

Great book for answering why we are here and what our purposes is for life. Speaks directly to your heart, the issues of today, and will answer many of the questions facing our society and us as people as a whole.

Good bullet points of key verses of the day to reflect on. Ample space to journal. Good price for product.

This journal wasn't worth the money. I could've used a notebook to just write my own take away from the chapters in the book. There was no new information in this journal, just chunks from each chapter copied into the journal and lines to write. Definitely not worth buying when I can use a 10¢ notebook for the same thing.

This book is phenomenal and has truly changed my life. I recommend this for anyone hoping to find the reason why they exist and the plans God has for them.

A valuable addition to The Purpose Driven Church. If faithfully followed it is possible to witness one's own spiritual development over time. The thoughtful questions and observations stimulate deep consideration for the way that God works in the world and in our lives. As you progress through each chapter, God's general purpose becomes clearer at the same time your individual purpose becomes more obvious.
