ISBN-13: 978-0152892807

Product Dimensions: 0.5 x 9.8 x 11.2 inches

Shipping Weight: 14.4 ounces

Average Customer Review: 4.6 out of 5 stars [See all reviews](#) (12 customer reviews)

Best Sellers Rank: #1,815,687 in Books (See Top 100 in Books) #155 in [Books > Children's Books > Fairy Tales, Folk Tales & Myths > European](#)

Customer Reviews

I purchased this title as a gift for a little boy. I believe that anyone who wishes to reread this tale or share it with a child will happily turn the pages, enjoying beautifully created illustrations during the retelling of this old favorite story. Sybil Blazej-Yee Children's Librarian Children's Book Author (The Honey Boy Story; Beagle Boy Watson; Leroy Goes To The Olympics) Artist Dog Walker

"Tom Thumb" as retold and beautifully illustrated by Richard Jesse Watson is a wonderful new spin on an old fairy tale. The story accompanied by the bright, realistic illustrations will make a wonderful bedtime story and the perfect book to help a child learn to read. Every child will relate to Tom Thumb and his small adventures, Watson has crafted the perfect bedtime storybook!

The close-up illustrations in this story are imaginative and exciting. In this version, the giant (Grumbong) becomes enraged when he drops his seashell charm. Tom Thumb and the woodland creatures have to bring him another in order to save Camelot. Action packed, perfect for boys. This is rather long for littler children, but the illustrations may help them sit still for longer. Extremely well done.

An absolute winner!. What can I say? I was bowled over by this fantastic tale. It is sweet amusing and fun. Having a hero the size of a thumb is a good idea and Tom Thumb's adventures are great, if a little far-fetched. But what are fairy tales for if they can't be a bit fanciful. This is definitely one that all the kids will love.

A quarrel between a giant and a greedy wizard resulting with a curse set upon the giant's wife to bear a child no bigger than the wizard's thumb. A son was born soon later and named Tom Thumb. Regardless of its size, he lived a prosperous life with his giant parents until one day a misfortune struck him. His adventures started by he was eaten by a fish, discovered by a cook, worked for the king, and being betrayed by a jealous royal cat. But everything ends well as he resides in a place where everybody is in his size, at the Butterfly Kingdom.-----It is a perfect read for children. It's short and understandable, plus it's enjoyable.

This is the classic children's fairy story. A young boy has the misfortune to be rather more than extremely vertically challenged. He only manages inches, rather than feet. When misfortune and troubles strike, this littlest of humans must find a way to help everyone.
