The Bible, Old and New Testaments, King James Version - Original Unabridged Version
I am disappointed with this purchase as this Bible does not have an index and therefore I can not choose which Book, Chapter I want to read but instead have to perform a search to find the Book, Chapter. I will look for another Bible that has an index and discard this one.

It is easy to read as each verse has a space before the next one starts. I used the comments so create my own table of context as it does not have one. I went to the start of the book, hit comment and then typed in the name of the book.....easy problem to solve.

I chose the 4 star rating because. I like the way the bible is laid out and easy access, but I don't like that you can't get back to the verse if you need to go back quickly. It takes time to flip back or go forward.. I would recommend it to other members in my church for quick reading.

A bible is a bible, but an electronic version needs to have a better table of contents. Very time consuming to find a verse, you have to keep scrolling through until you find what you are looking for. You almost need a hard copy edition to find where you need to go for the e edition. So, why bother with the e edition?

the bible is the most important book in my life I wish I could impress everyone to read the bible there are so many people that are not informed enough for whats coming and they are not being taught this in churchol m sorry tou,did not ask for a sermon I will hush I would not take for my kindle or my bible I will always have it with me

Just go to goodwill and pick one up. This digital copy is awful.

This is a great read. Few things have helped me to better understand the Savior and the life he led. This book also helped my to better understand the Book of Mormon. Despite it being written thousands of years ago, it still applies to the world we live in today - in different contexts! Read the Bible!!! You're understanding of God and Jesus Christ will grow so much deeper.

I STRONGLY URGE THOSE THAT WANT WISDOM ,KNOWLEGE AND TRUTH FROM GOD'S POINT AND WHY THE WORLD IS GOING THE WAY IT IS GOING TO FIND OUT WHAT GOD SAYS AND WHY MAN REJECTS GOD. GOD GIVES HIS CREATION A CHOICE. FIND OUT WHAT GOD SAYS ABOUT SIN. THE LGBT AND HOW HE DEALS WITH SIN
