My daughters faveorrite cartoon. She is just starting to be able to read by herself with some help still. She will be 6. This book was very enjoyable to her. And, after 3 or 4 readings with me she can recognize a big amount of the words. Well worth it.

Awesome books.... very adventurous story line... fun for little boys who are just learning to read. I thought it was more at 3rd grade reading level... but 7 year old could read some of the words.

Son enjoyed the book, he loves Jake. Easy for him to read some of the information

great grandaughter loved it..
