# The New Kid (Tales From Maple Ridge)

## Synopsis

Logan tracks down a stolen book with the help of his new friend in the sixth book in the Tales from Maple Ridge series. There's a new kid in Logan's one-room schoolhouse! He's quiet, has thick glasses, and the other students are sure he's trouble. When a new book goes missing from the classroom's bookshelf, accusations fly. Logan decides he must track down the book "with the help of his new friend" to show his classmates that there's always room for another student in their small school. With easy-to-read language and illustrations on almost every page, the Tales from Maple Ridge chapter books are perfect for beginning readers.

## Customer Reviews

This is a good book to use to help your child understand the phrase "don't judge a person by the cover". Wally was the new student in Anthony and Logan's class but he was reticent and was not well received. When he had dibs to choose the library books and chosen "Birds of North America", he became the official enemy of Tess and her friends. Things worsen when "Birds of North America" went missing, all blame was placed on Wally. You child will be spellbound by the book and the ending is a surprise which bears valuable lesson for us.
