## Customer Reviews

This NIV Bible Concordance was much more than I expected!!! I was just hoping for something I could use for "look-ups" every now and then, but this is a true reference book with 596 pages in fine print, and so the data is just immense!!! This concordance is really a delightful help for me when I do my Bible readings and studies!!! Thank you and God bless you!!!

I use to have a concordance which is currently out of print. Recently I had a need to find various verses. I like the fact that it is arranged alphabetically with the book and verse. I had ordered a different version of this book that was out of stock, I had a time limit and canceled the other book and ordered this one. The two were so similar that it didn't make any difference. There are certain verses that I have remembered through the years but couldn't remember the book or verse number. I also want to start a Bible study which will be beneficial.

Cover looks great, bottom looks great, but top of pages are rough and connected together. How could someone packing this not notice? I am very disappointed! Update: The defective concordance was replaced and the replacement was just what I was hoping for. Thank you, , for making things right and for doing it quickly.

I needed more information than my Bible concordance has and this book definitely has more to offer. Also a bargain price-wise. Easy to use and understand.

This concordance is excellent, and will be very user friendly for my students. It is very comprehensive and the font is a nice size.

Great concordance! Really helps in Bible study and a quick way to find passages. Would recommend this to people who are studying the scripture.

This Concordance is very helpful and detailed, and the price was affordable, only take a couple days in the mail.

Excellent source for Bible study and finding chapter and verse for particular occasions.
