## Customer Reviews

HEAVEN IS FOR REAL FOR KIDS by Todd and Sonja Burpo, as told by Colton Burpo Illustrated by Wilson Ong A Little Boy's Astounding Story of His Trip to Heaven and Back I still have chills after reading this book. After hearing so much about the #1 New York Times bestseller Heaven is For Real by Todd Burpo, I was thrilled at the opportunity to review this version for children, as told by Colton Burpo. If you aren't familiar with this story, little Colton visited Heaven during life-threatening emergency surgery and returned with intricate, Biblically-accurate details about his experience. First of all, the illustrations in this book are absolutely breathtaking. The colors are so vibrant, and artist

Wilson Ong made the story come alive in a way that will capture the minds and hearts of young readers. Admittedly, I was a little skeptical. I would imagine that a lot of people are pretty hesitant to believe this story. But, now that I've read the children's version, I will be reading the grown-up version--immediately. The part of the story that really struck me was that in Heaven, Colton was greeted by his older sister, who (lost in a miscarriage) he didn't even know existed. I realize that some people are doubtful, but you really must read this book for yourself. The book also comes with a Q&A section and a guide for parents. Heaven is For Real for Kids is written in Colton's own words about his experience. Young kids will easily be able to grasp Colton's simple phrasing and descriptions, and once again, each page is illustrated beautifully. The message of love will surely bring peace, comfort, and joy to all who read it. As a parent, I highly, highly recommend this book for all children and expectant parents!
