The Spiritual Gifts: A Biblical Explanation Of The Gifts Of The Spirit

Synopsis

God gives the Church gifts to benefit everyone. The purpose of the gifts is not make us spiritual, but to help us to serve and minister to one another in love. The operation of the Spirit of God and His gifts/ministries among believers testifies to the presence of God in the Church. In this book, we will take a biblical approach to examining and explaining the gifts and ministries of the Spirit, their functions, and how to recognize them in operation.

Customer Reviews

Excellent read, very thorough. This book lays a firm foundation of the Spiritual gifts in the body of Christ, and it leaves you desiring the gifts of God with love! I believe in "investing in your gift" ex. If you're called to be a prophet, educate yourself on the office of a prophet. This book will definitely help educate you on the gifts of The Spirit, just enough to spark an interest that will produce a cry in you for "The More of God."

I chose this rating because the book was a blessing and it was simple to understand and very

helpful. I will recommend to anyone who wants to know and operate in the gifts of the spirit.

Thank you for writing this book. To me this was a solid content rich book no fluff whatsoever. It hit the major points and was biblically sound. Look forward to more books to come from you.

This was a great read. It was short but that's because it got directly to the point for every topic. I highly recommend this for believers who have or pursuing to receive the Holy Ghost.
