Synopsis

Build a solid foundation of forming letters with Let's Learn to Print: Modern Manuscript for pre-kindergarten through grade 2. This 64-page book presents handwriting in a developmental sequence, rather than alphabetically, which provides a greater opportunity for students to achieve success. Key Education's handwriting practice books provide young learners with a developmental approach to handwriting. Each workbook helps build a solid foundation of forming letters by reviewing basic handwriting strokes, or including tactile, auditory, and visual activities to reinforce directionality and proper pencil control. Workbooks include guidelines for use, examples and practice and review pages. Content and page count varies per workbook.
