Synopsis

True Ghost Stories & Tales of Hauntings. True Stories of Ghosts & Demons. Do you believe in Ghosts? Many people do not; until they find themselves at the center of a terrifying haunting. What would you do? It's hard to explain where Ghosts & Demons come from & why Haunted Houses seem to exist, but for the occupants who find themselves at the mercy of a blood-curdling spooky encounter, it's all too real. Here are some of those encounters and the stories behind them.... For centuries, legends and stories have been told of haunted places, and terrifying apparitions which appear to the least suspecting. They say that ghosts come because they have unfinished business, while there are other entities that are simply pure evil; demons who terrorize all they encounter.
