Daniel - Leader Guide: Lives Of Integrity, Words Of Prophecy

Synopsis

Daniel: Lives of Integrity, Words of Prophecy - Leader Guide by Beth Moore provides the step-by-step guidance for a leader to facilitate this 12-week women's Bible study. Join Beth in a faith-building study of prophecy and learn how to live with integrity in today's self-absorbed society. The prophet Daniel faced unbelievable pressures to compromise his faith, to live in a hostile culture, and to confront temptations and threats. Today, believers in Jesus Christ face many of the same trials. This Old Testament Bible study falls in two parts and can be used as one (12 session) study or two separate (6 session) studies. The first portion, from Daniel chapters 1-6, deals with Daniel's life as he faced the kind of pressures and temptations Christians encounter today. Daniel models how to develop enduring integrity in an enticing world. The second portion, chapters 7-12, explores thrilling prophecies from the time of Daniel through the second coming of Jesus Christ. The Leader Guide includes: Step-by-step instructions for facilitating the group sessions using the Member Book and DVD video sessions Retreat Guide with schedule and helps for enlisting and conducting the retreat Viewing Guide and Final Test Answers Adoration, Confession, Thanksgiving Prayer Guide

I have really enjoyed doing this study... very informative, applicable to today, lots of homework but a great way to get into the Word and learn so much. It's so worth the effort! God has already begun to teach me alot about living in our country, America, thru this book. It challenges, encourages and

stretches your mind. I can't wait to do more each week and the DVDs that go along with it are a great way to see Beth's heart and hear her speak to open up what God has shown her thru the book of Daniel.

This study is pivotal in understanding the Old Testament. It took a lot of my time searching through the Bible for references. It was very involved. Plan to do lots of homework!

The book arrived right on time! The leaders guide is a concise guide to leading the Beth Moore Daniel study prayerfully with recommended prayers, and efficiently with to do lists before, during (what questions from the workbook to ask), and after each session. It is well worth the cost. It even provides the video fill in the blanks--but the videos have so much more than just the fill in the blanks that they are not to be missed! I'm very glad I purchased the leaders guide. The 2 hours fly by so I need all the help I can get to keep on track. In planning the first hour of discussion, I go through the leaders guide and the workbook at the same time, and mark in the workbook the amount of time that I'll spend on each question and the actual time to finish and end each question so I know how much time we have left leading up to the video which takes about 60 min. The leaders guide is a little unrealistic leaving only 10 minutes for prayer requests and prayers (we are women and we love to catch up!), but I'm considering no longer talking about prayer requests first, and just launching into prayer time, where anyone who wants can jump in with a prayer, saving catch up time for the end of the evening if anyone wants to stay after the 2 hours. Also, the leaders guide groups the questions by type (factual or personal), rather than day of the week, but I just go in order of the workbook since it makes the discussion easier on the leader and the women to remember their answers.

This is by far one of her best studies....I'll just say it like she does, if you get this study and do it, you are in for the ride of your life! Get the video segments for 4.99 each on her website you will be so very blessed!!

My Bible Babes group is only on week 3 of this book, but so far we LOVE it! We've been studying the book of Daniel at church, but this has opened our eyes to understanding it on an entirely new level. We are having a great time coming together each week to go over it! I highly recommend this study! You DO need the videos & study material to go along with it. I wouldn't try to get by without it because it is such a huge part of the study! Get it - you'll be glad you did!!!

This is an outstanding Bible study and this workbook has helped me remember the lessons clearly. The book arrived well packaged, sent quickly and was sold at a good price. I have been well pleased with this item.

I expected to have more of an input on leading this bible study with the help of this book..not much help at all.

This is an excellent Bible study. Beth Moore brings all the lessons in Daniel into our daily lives with humor, passion, and knowledge. I fully recommend it for anyone interested in relating Daniel to today.
