Customer Reviews

After reading this book I have purchased over 300 copies to give to my customers and friends. One lady in Alabama was healed of acute sleep apnea, diabetes and a recurring heart condition (three operations). She was taking insulin three times a day using a machine at night to breathe and taking five heart pills a day. While reading she realized that all of it was true and when she admitted this to the Lord she was instantly healed. A warmth fell upon her and caused her to know God had healed her just as He said. She takes no more medication of any kind. Her name is Betty Worrell of Wing Alabama, 36420. I believe anyone who reads this book prayerfully and with an open mind should

expect God to do the same for them. HE IS THE LORD OUR GOD WHO HEALETH US. Capt. Ben Marler Jr. Destin, Florida 32541 captben61@hotmail.com

Since first publication in 1951, Dr. Osborn's 'Healing the Sick' has become essential reading for those serious about following Christ, and fulfilling His command to 'Heal the sick'. Nothing has been published subsequently on healing that is even half as anointed. Get it, it's the best handbook on Divine healing. T.L. has the life and ministry which confirms the truth of this book's message. It covers all the usual questions on healing from Job's boils to Paul's Thorn, with clear Scriptural backing. Above all, it's a practical book which gets people healed. The chapter, '100 Divine Healing Facts' is worth the cover price alone, but there's much more. 'Healing in the Lord's Supper', 'The Believer's Authority', 'The Prayer of Faith', 'Satan's Defeat', 'Laying on of hands', 'How many will God heal?' 'Why more do not get healed'. Don't wait any longer, buy the book now, and start Healing the Sick in Jesus' Name! If you are under the oppression of sickness, it is no accident that you are reading this. This book will nourish your faith to receive the miracle you need from Christ today.

This book answers all questions and shows through the Word that healing is for all. It walks you through the Bible proving that it is God's will to heal all. To heal YOU! No opinions here. Just straight forward, "SIMPLE," Bible truths that spark faith in the heart to receive YOUR healing by just reading it. I don't know of a "deeper" book than this that explains Divine Healing nor do I know of an easier reading book that anybody can understand than this book. It is re-freshing to read and I promise you that a child-like faith will Leap into you and you will be glad you read it. Too many opinions have come about on this topic. T.L. Osborn takes us right back where we should have been all along. To the Word of the Living God!! Get it!

I had Crohn's - a chronic disease - for many years. I struggled with accepting that God really wanted to heal me. Hearing all my life that it may be God's will for us to be sick was a contradiction to the fact that it takes faith to receive from God. In the book of Matthew we are told to pray according to God's will, with faith, and in the name of Jesus. How can we have faith for God's healing if we aren't sure it is His will to heal us? A lot of things happened leading up to my healing, so I think it was a process, but I can say that I started reading this book, and the message to me was that God wanted to heal me, no question about it. After a few chapters the peace of God just sank into my being and my complete healing took place. After over 20 years, I still have no more Crohn's disease, thanks to Jesus!

I praise and thank God for a book as this. God IS healing the sick, and a very huge revival is coming to America through the youth. If God's called you into a healing ministry, just as he did me, then this book will definitely bless you and help you as you grow closer to him. God bless all who read this book, for it is truly a blessing!

I AGREE WITH THE OTHER REVIEWER THAT NEXT TO MY BIBLE THIS IS THE BEST AND MOST IMPORTANT BOOK IN THE WORLD!!! HAVE EXPERIENCED MIRACLES IN MY LIFE AND IN MY FAMILIES JUST BY LEARNING ABOUT TRUE BIBLICAL HEALING. THIS IS THE TRUTH.AND THE TRUTH HAS SET ME FREE. KNOWLEDGE AND BELIEF OF THE CONTENTS OF THIS BOOK HAS CHANGED MY LIFE FOREVER !

T. L. Osborn knows what he's talking about--for decades he's preached the gospel all over the world, and multitudes have been HEALED while listening to him speak! He long ago discovered the ANSWERS to the questions people ask about healing, and that's why he's had the FAITH to minister healing to the masses!This book covers all the questions/objections people might have about a divine healing, and presents a full-Bible treatment of the subject. Will God heal any person, of any disease? Is it God's will to heal YOU? If so HOW can you receive your healing? Dr. Osborn answers these questions in this powerful book that is literally packed with scriptures and insights gleaned from his lifetime of an astounding soul-winning and healing ministry. You'll never be the same again after reading and studying this book. For one thing, you'll be HEALED!Rick JoseyProducer, SUPER HEART Living series

I highly recomend this book to many people who contact my ministry about healing. It has changed my life! I have taken these principles and used them to see blind eyes open, deaf hear and lame walk. Evangelist Ed Hensel
