## Customer Reviews

Fits in the back pocket of my jeans. Sticks out a little but fits just fine. Print is small but can be read without a magnifying glass. 50 year old eyes. I have a Bible app on my phone but it's nice to have a small copy that doesn't require power to use. I have lost several Bibles setting the down and walking away from them. I can pull this one out of my pocket and use it and put it right back in. Great also for a bug out bag. Every bug out bag should have a Bible in it.

Great Bible to have for traveling with ease. For mission trip or just quick trip to Sun. Church. Only thing is there is no chain reference, but other than that it's wonderful!

I find this to be the perfect Bible. It is compact and can easily fit into a pocket or purse. I intend to keep mine in my purse so whenever I need to look up a bible passage or just feel like God is close to me I will have it at my finger tips. It is a must buy for someone needing to or wanting to have a bible at your finger tips.

It is a high quality and beautiful compact size Bible, but I have a slightly problem with it: the text is edited into 2 columns, which are very narrow so it is not so easy to read.

I got this Bible for my Daughter , because she asked for one. This bible is so convient in size, she carries it in her purse and reads it everyday! I plan to order two more., one for my son and one for my other daughter. "What a wonderful gift"

This is a very nice compact Bible for the most part, but for some reason this one has more of a "cheap" feel than the NLT version I already own. The pages feel a little more brittle and the leather-ish exterior isn't as sturdy. It's still a great Bible to have in the car, backpack, or (as my wife uses it) purse. It just doesn't feel like it's as sturdy as other versions.

This Bible is the best Holy Work Book for those Blessed by the Most High God to walk according to the Lord's precepts. The Heart and Spirit of God is in it. The First and Last Word in all engagements unto Infinity.

My friend said she loved the bible and that she put in in her purse. She said there have been times when she needed a bible and that this was perfect. Thanks...Malcolm Arnsdorff
