Visual Dictionary Of Ships And Sailing (Eyewitness Visual Dictionaries)

Synopsis

This text is part of a series of reference books designed for children aged nine years and upwards. The books contain "exploded view" photographs and 3500 specific words presented in a labelled form, both of which are designed to help expand the child's knowledge and vocabulary. This book looks at ships and sailing while other books in this series look at "Everyday Things", "The Human Body" and "Animals".

Customer Reviews

I got it to be supplemental material to the heritage class I'm teaching my 7th grader. She's not particularly into ships or anything, but it really adds interest and knowledge as we study 18th century pirates and explorers. Fantastic pictures--so detailed and clear you feel like you could touch them.

Will not buy used again. Books falling apart.
