Demonology & Deliverance: Principalities & Powers, Volume I, STUDY GUIDE

Synopsis

These studies have to do with unnatural power and satanic dominion over intelligent beings and God's provision for deliverance. These could be regarded as the most timely and powerful lessons ever prepared by Dr. Sumrall. Focusing primarily on doctrine, examined in volume one are such topics as the origin of Satan and demons, the names of Satan, recognizing demon power, demons and disease, the casting out of evil spirits, and demon influence upon the believer. At the end of the study guide, Dr. Sumrall lists and answers some of the common questions on the subject of demons and deliverance. (Note: This study guide is written in outline form and is most beneficial when accompanied by the audio or video teaching series.)

Great book. It is to wake up to the truth. i thank God for Dr. Sumrall. very humble Man who availed himself to God to be used. thank you for revealing the truth. It is time for us to understand how the devil operate.

Dr. Sumrall has that rare quality of absolute faith and authority. His message is Bible based and challenging. The dominant thing I look for in a minister is whether or not he admonishes us to read the Word of God for ourselves. He does this. I like him.

a great study, very sound and not too out there? Lester Sumrall lived this so I wanted to read

something by him that wasn't written for and by the money guys.

Nice introduction into deliverance ministry.

Bought this for my step son. He really enjoys it. Thank you.
