Christian: 12 Biblical TRUTHS That Will DRAMATICALLY INCREASE Your Faith

Synopsis

When Jesus said the words "Ask me anything in my name and it will be given to you" - do you believe him? Do you feel that Jesus might be lying to you? Truth is - and a very good truth - he is not. God and Jesus are impervious to evil and are NOT as a man that they should lie. If you find yourself in these situations, I pray the Lord bless you today with the scriptures and commentary in this book. If you doubt that Jesus can really heal you, if you doubt that Jesus/God can/will defeat the addiction in your life. If you doubt or believe the lie that your debt is too much for God to handle. If you doubt that Jesus and God could use you in such an amazing and supernatural way. If you have ANY doubt on your faith - I need you to be honest - open this book - and begin to heal yourself. You need to heal yourself (with God's help) of unbelief. Come to terms that He is God. Come to grasp that Jesus is LORD OF ALL. That Jesus was GIVEN ALL AUTHORITY ON HEAVEN AND ON EARTH! Let me help you increase your faith this very moment! Will you permit the Lord of All - the CREATOR of everything take control? Will you permit him to will and to act for you? Will you just believe? "Become what you believe...." Matthew 9:28

Customer Reviews

Wrights writing style here is excellent. One can really learn from him when it comes to faith and Christianity. Something all Christians need to read. I particularly like the focus on Jesus' teachings about believing. Jesus gave us sound instructions on how to live and believe. If he is the son of God, shouldn't we have more faith? Thank you Andrew for this incredible book. It's easy to read, quick to the point, and offers incredible insight into the scriptures. God will bless you as your read this!

Moving book. I very much enjoyed reading this one as a Christian man. Really love these type of books they always inspire me and brighten up my day. Glad I got this one and added it to my collection.

needed some inspiration amd guidance and boy did i get it! Im seeing things in a whole new light right now, incredible read!
