Customer Reviews

This is a fantastic book! If you are a Harry Potter fan, then you definatly need to read this. Our heroine, Mildred, is in her first year at Miss Cackles Academy for witches. She tries hard, but everything she does seems to go wrong! When she is almost expelled for ruining the halloween festival and discracing her school, Mildred runs away, but runs into a group of Witches plotting trouble for the Academy! Mildred saves the day and comes out shining! This is a must-have story for young children, But don't let the size of the book fool you, This is a great read for ALL ages! Jill Murphy truly has weaved magic.

Mildred Hubble is starting her first year at Miss Cackleâ ™s Academy for Witches â " and making a mess of it! She canâ TMt ride her broomstick without crashing, sheâ TMs always getting her spells mixed up, and worst of all, the teacherâ ™s pet, Ethel, has just become her sworn enemy. -publisherOriginally released in 1974, The Worst Witch is being re-released for a new generation to discover. Young readers are bound to fall in love with little Mildred Hubble. This poor witch-in-training is the student with her heart in the right place, but nothing else. She's the one who will crash into things while learning to fly on her broom, fixing her broken broom with a pile of sticky tape and glue, and is afraid of the dark (ssshhh, if you don't tell, I won't.). In this first installment of this delightful character's series, Mildred is the recipient of a kitten. The time has come for all the first year students to get their assigned kitten who will ride on the brooms with their owners. Instead of getting the typical black one, Mildred is given a tabby one. And worse off, yet, the poor kitty isn't taking to flying on a broomstick too well. Everything comes to a head during her class's formation presentation at the annual Halloween festivities. Mildred's has embarrassed her class by causing a crash landing (not her fault, though). Poor Mildred is so upset, she decides to taker her tabby cat and run away. However, while walking down the mountain, she stumbles across a group of witches. Witches who are plotting to place a spell over everyone at the school so they can control it. Now it's up to Mildred to save the day. This book was fun to read. Mildred is a cute character who is fun to read. I can relate to being that child who had good intentions, but would somehow, someway mess things up. I think fellow readers will enjoy her, as well. I look forward to reading more adventures of Mildred.

I received a free copy of this book from the publisher in exchange for an honest review. I picked this book specifically for my two nieces, ages 8 & 9, for bedtime stories since they love the Harry Potter series and most witchy books in general. They loved it! I found it to be age appropriate and one that we could all enjoy, myself included! Poor Mildred may be the worst witch at boarding school but she sure is the funniest and most charming! Perfect for elementary grades 2-5 but could be read to a child of any age!

This is a classic childrenâ ™s book and this sumptuous, colour, hardback edition only makes it more special. Of course, the story features our heroine Mildred Hubble at Miss Cackleâ ™s Academy â " high up at the top of a mountain. Mildred really wants to be a great witch, but instead she is unsuccessful at her spells and is always in trouble. In many ways, this is a typical school story, just with a more unusual setting. There is Ethel, the teacherâ ™s pet, Mildredâ ™s friends

Maud and Enid, lots of fun spells and a Halloween festival in which Midred and her classmates have to put on a broomstick display, with predictably disastrous consequencesâ [This version of the book is larger than usual, with full colour illustrations. The book itself is not particularly long (about 112 pages) and has short chapters and lots of fun illustrations. The first in a series, this is a beautiful gift version and is perfect for any childâ ™s bookshelf either to read alone (depending on reading age, once children are confident with chapter books) or to share alone as a perfect Halloween read.

Mildred Hubble is in trouble from the start at Miss Cackleâ ™s Academy for Witches. She can't fly well and messes up her spells. However, she finds that she can be useful and the other students and teachers come to appreciate her too. This is a fun story for early readers and I think they will enjoy it. I received this book free to review from Netgalley.

The first story in the series, and now I'm reading them all again because my five year-old daughter loves them. My kids are quite sensitive to violence or danger in stories because we don't have a tv (we got rid of it so they wouldn't be desensitised, & it has certainly worked!), but these stories are perfect adventures without ever being scary for kids. My 3 year old listens along fine (tho I think he enjoys the cuddle more than the story!). Recommended!

The Worst Witch was an extraordinary book. There was suspense. There was a mean teacher. There was a mean girl. There was a nice prinipal, and there was Mildred Hubble, who can't even ride her broom without crashing. There was Mildred's best friend, Maud, and so much more. I think it deserves 5 stars. I can't wait to read another Worst Witch Book. By Jessical think the Worst Witch by Jill Murphy was interesting because of the suspense between Mildred, Ethel, Maud, Ms. Hardbroom, and Ms. Cackle. Also, there was a lot of emotion between the characters. I think it deserves 3 stars because I think it needs a couple more characters and more details. By NathanielThe Worst Witch was an amazing book! After every little paragraph I got more interested in the book. It was exciting for me when all of the witches were fighting with each other. The main character was Mildred who was very nice, but not good at spells and stuff like that. If you want to learn more about the book, read it! If there was a scale of 1 to 5, I would give it 5 stars because it is such a good book and very interesting!By Chloel thought it was a good book because I like when stories have happy endings and it had one. I think it should have 4 stars because it was good, but not perfect. I thought it wasn't perfect because at the end it didn't tell you what happened to Ethel. By DylanThis book was exciting. I liked this book because Mildred was doing so badly at her spells,

and then she did so well and saved the whole school. I give this book 4 out of 5 stars becasue a perfect book is a comedy and has a lot of suspense and dialogue. This book had suspense and dialogue, but no comedy. By Matthew
