Customer Reviews

This book is a great collection of classical folk stories from Japan for children. I use it in my classroom - teaching Japanese to ages 5 through to 12. The wording is easy to understand and the coloured illustrations are great. There are many versions of these stories around but this collection makes them very accessible to the youngest children. From a set of 4 books - have them all - they are all great teaching resources.

This is one of my favorite books from childhood and my children in turn have enjoyed it. It includes the famous "Kintaro's Adventures" as well as "The Princess and the Herdboy" from which the Star festival (Tanabata) of Japan originates. The other four stories are just plain fun. Along with the other Tuttle Company books of Japanese children's stories, this would be a great addition to upper elementary classrooms.

Max (age 6) says: I recommend this book. The turtle story was my favorite because, in the end, the townspeople beat the lazy brother who beat the singing turtle. I would give the Kintaro story two and a half stars.

Great gift.
