## Customer Reviews

I purchased this item for my grandson and I must say I am very impressed with the quality of the book and explanations. I am a Baptist myself, but my daughter has chosen the Jewish faith for her son and herself and I was looking for books for them both. Coming across this book as well as several others on this site, has been a tremendous relief. The artistry as well as the read factor was exceptional. Thank you to Mr. Bereishis for his donation to the community.

My daughter loves this book and I have read this book to her 5 times already. It is a beautifully illustrated book. The book worked perfectly with what she was learning in Hebrew school and her

daily school.

Very good book my grandson loves it hoping to find more books like this one to help teach my grandson the Torah.

I was hoping it would contain more i guess I will have to buy more volumes.

good kids book
