This book arrived VERY fast and in perfect condition! Thank you! Great book too... my daughter loves it~ she's 12 and needs it for her youth group. Thank you!!

This book is required Summer reading for my son. He liked the book and humor that authors used. A good read for any Middle Schooler.

Very helpful in thinking through the ups and downs of friends in middle school. Great life lessons for a foundation of good friendships.

My daughter started a bible study last year for 5th graders. We researched lots of books and this series won out. We did My Faith and My School last year and this year we will do My Friends and My Family. They are the perfect books for 5th graders and middle schoolers - boys or girls. The girls love it because they talk to them in their language! I highly recommend them.
