Customer Reviews

Well I was a few pages into it trying to decide if it would be appropriate for my grand daughter and all was well until, on page 28 I found myself reading the words,,, "the divers had to be careful not to "piss the shark off" . At that point I just closed the book and put it back on the shelf. "Piss" the shark off"? What was to come in the next chapter,,, "the Great White is a really big ass shark"? No thanks!

Great Book

Love it
