# Children's Dramas For The Church Year: Reproducible Dramas For Advent And Christmas

## Synopsis

This reproducible resource consists of very simple Christmas dramas that can be performed by kids of all ages - the younger children can participate in rhymes and recitations that require very little or no speaking, while older children will enjoy the speaking and narration parts. Selections take no more than 10 minutes to perform and the number of children can vary as needed by the size of the church. Props and scenery are minimal and selections can be performed with little rehearsal.

## Customer Reviews

This book was great. We never know how many children we are going to have the night of our program. We always start out with 20 to 25 and usually end up with 5 or 6 at the program. I was able to find a program in this book that allowed as many kids as I had to take part. Everyone raved and complimented us on not only a good performance but also the content of the program. The whole church was impressed and said it really made them connect dots to things they knew but never really put together before. I would definitely recommend this.

We were able to select two sections of the book for our very unusual group from a small church that I think will work for this Christmas. Will know more after Christmas:)
