Blue Is The Warmest Color (Kindle Comic)

Synopsis

A New York Times bestseller The original graphic novel adapted into the film *Blue Is the Warmest Color*, winner of the Palme d'Or at the 2013 Cannes Film Festival In this tender, bittersweet, full-color graphic novel, a young woman named Clementine discovers herself and the elusive magic of love when she meets a confident blue-haired girl named Emma: a lesbian love story for the ages that bristles with the energy of youth and rebellion and the eternal light of desire. First published in France by Glénat, the book has won several awards, including the Audience Prize at the Angoulême International Comics Festival, Europe's largest. The live-action, French-language film version of the book, entitled *Blue Is the Warmest Color*, won the Palme d'Or at the Cannes Film Festival in May 2013. Directed by director Abdellatif Kechiche and starring Lea Seydoux and Adele Exarchopoulos, the film generated both wide praise and controversy. It will be released in the US through Sundance Selects/IFC Films. Julie Maroh is an author and illustrator originally from northern France.

Customer Reviews

Now that Julie Maron's *BLUE IS THE WARMEST COLOR* is coming to theatres in a feature film that

not only won the very prestigious Palme D'or at this year's Cannes Film Festival, and that it was smacked by the MPAA with the dreaded NC-17 rating for its explicit sexual content, and that there is an ongoing war of words between the film's two leads and its director, it should generate enough publicity for not only people to see the film, but to also hopefully discover this remarkable graphic novel. Simply enough, the novel, written and drawn by Maron, is about a fifteen-year-old girl Clementine who is doing her best to be a "normal" young girl. She dates a senior at her high school, she studies for her exams, and she has the "right" friends. Until one moment of one day, as she's walking down the street, she passes a beautiful older girl with dyed blue hair, and she cannot get this girl out of her mind. The blue-haired beauty invades her dreams with shocking sensual and sexual imagery, and Clementine can't understand what these feelings mean. She just CAN'T be gay. She refuses it, and in that refusal, her passion for this mystery girl grows. As she sneaks out one night to be with her best friend, Valentin, who is a young gay man, they go to a gay bar, and Clementine meets the mystery girl. Her name is Emma. And from then on, Clementine, no matter how hard she tries, she can no longer deny the feelings of love and lust she has for Emma. But once they finally realize who they are to each other, all the other parts of Clem's life start to spiral out of control. Her parents refuse to accept their daughter's deviant lifestyle, as do her straight friends. Soon, all she really has is Emma, and for a even a short time, that's more than she ever thought possible.
