## Customer Reviews

Very nice coloring book. Its actually 3 books in one. My husband is into anything old west. He likes it so much, we got my brother inlaw the same book. Might buy another one just to have on hand as an extra gift.

Contains three old west coloring books: WESTERN PIONEERS LEGENDARY OUTLAWS AND LAW MEN OF THE OLD WEST COWBOYS OF THE OLD WEST These coloring books are well drawn and the short histories per picture are quite informative. Makes learning about the old west fun.

The pictures are great and the history that is on each page is informative. My Grandchildren live in Colorado and I live in arizona, so I wanted them to know a little about the old west--- and get to color pictures too.

The picture quality makes this books of interest even to people who aren't obsessed with cowboy lore- as you also get to color panoramic sunsets and horses and a variety of other things- so it should keep your interest for quite a while. Worth a look.
