Date A Vampire.Com Vol. 1 (Yaoi Manga)

Synopsis

• Old fashioned. • Sweet. • These are the words used by the men Milo Stevens dates | right before they dump him. But what's wrong with wanting to be in love before Milo shares his body? According to modern men: everything. Milo thinks he was born in the wrong century and has no chance at meeting the romantic guy of his dreams. His best friend, though, believes his perfect match is on a vampire-human matchmaking website: dateavampire.com! After the tragic death of his young lover, Master Vampire, Viscount Lucien Valammar, withdrew from the world in a 200-year-long sleep. When he awakens in the vampire safe house run by his old friend, Master Vampire Lord Gregoire Deniaud, he discovers a different world | one that has moved on without him. Separated forever from whom he believed was his true mate, Lucien has resigned himself to never finding happiness again, but the modernity-loving Gregoire is equally determined to help his friend find new life in this new age. He sets up a profile for Lucien on his vampire matchmaking site: dateavampire.com. And when Milo applies for his website, Gregoire realizes that Milo has the potential to become Lucien's true mate, and resolves to bring the two together. Customer Reviews

Wow ,cool book. Wish there really was a web site or way to connect to other worlders , to meet a mate. Very well written and drawn , holds your attention through out.looking forward to book 2 hope it's soon. A fun book

This story is so adorable and exciting! I've read it probably 10 or so times since I bought it two days ago and I CAN'T WAIT for volume two! Wish I could buy a hard copy (I downloaded an electronic book reader JUST to this) but that's my only complaint.
