The United States In Bible Prophecy

Synopsis

Yet again, Steve Wohlberg tackles a subject in just a handful of words that is often buried within the pages of a huge book and answers questions of many people at the same time. This time he pointedly defined the two beasts of Revelation 13, particularly the second beast that, as we learn, is representative of the United States. In identifying the first beast, he also draws from Daniel 7 as these two beasts are markedly similar. While these two beasts seem to point to a gloomy future, we have hope in our Lord Jesus Christ who will reign supreme. Satan's days are numbered, and when the last battle rages, heaven's Lamb will win, not the beast. Repent (Luke 13:3) is God's loving plea. Those who respond to His offer, and who then stand for the right though the heavens fall, have the assurance that someday they will live forever in a land where freedom truly reigns, where there is no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away (Revelation 21:4 KJV).

Customer Reviews

This book is very informative and I love that the author, Steve Wohlberg, gets right to the point, after

a little overview through his words, backed up with God's Word. I like that he boldly and confidently get's to the Roman Empire, The Pope, as The Beast. I agree with him about the fall and decline of the U.S. of America, and I Do SEE the Writing On the Wall TOO. I PRAY PEOPLE WILL OPEN THIER EYES AND BE SPIRITUALLY AWARE OF WHAT'S TAKING PLACE RIGHT NOW!!! I BELIEVE CHRISTIANS need to "WAKE UP",!!! THANK YOU FOR the book, I ENJOYED it!!!, Gina

Another very short and to the point read by Wholberg. I like that it is straight to the point and on topic. Basically history repeats itself over and over and we can expect to see horror in America. I believe America is in prophecy as author asserts and explains, but i'm not sure how I feel about the role of America concerning such complicated symbology in Revelation. I am enlightened by this short book, author sounds positively sure about prophetic interpretations of Daniel 7 and Revelation 13. I believe it is a vital resource. Worth the read such a great price. I don't regret reading it took me one hour.

I believe the U. S. has an important part in the end times, and the present administration is laying the groundwork. We need to claim Proverbs 3:5-6 as our motto.

He made some correct statements, such as his observation that Biblical "beasts" are kingdoms or nations. I totally disagree with his thoughts on the US in Scripture, and some of what he had to say about Rome and the Vatican is off track as well. If the Vatican or Pope is prophesied in the end times, it would line up better with the predictions of a false prophet, with the Holy Roman Empire being the beast - not the US. There is not much new here for a serious student of eschatology, and it could be misleading for a nonbeliever, or new believer to take this to heart. Read it with a grain of salt, and compare it with the main stream teachings of eschatology.

Very enlightening! The author takes great pains to present all with genuine factual comparisons for the reader. Catholics should pay close attention. As a former Catholic I was thankful to see a complete summary of why to leave the church.

Guess I'm older than I thought. I've gone through the times when the Protestant church taught Biblical prophesy enough that everyone knew what was coming, and now we're hearing opinions, conjectures and political views right from the pulpit. Most prominent teaching is that America is either gone or reduced to being a third world country when Christ comes back. And we swallow it

hook, line and sinker while being electronically involved but personally tuned out to our nation. Why aren't we being Behrens? Look it up! Read this book as a start to learn what is coming and what role America does play in the End Times.

Excellent book because it is Biblically and historically accurate and backed with enough references to prove his points. Mr. Wohlberg's interpretation of Revelation 13 and how this prophecy compares to the U.S. Constitution is the best that I have read. No wonder he was invited to speak at the U.S. Pentagon! You will definitely receive your money's worth with this book.

THE 5 star rating was given due to the fast ease of reading this important subject. Recommended for anyone examining like minded subjects. Author uses extremely important Scripture reference. Personally I will seek out other titles by this author..... read them, THEN move on to information that backs his interpretation or clarifications of same scriptures.
