Nehemiah: Overcoming Challenges (New Community Bible Study Series)

Synopsis

Face the Tough Times with Confidence The question is not, "Will I face challenges?" • The issue is, "How will I deal with the tough times that come my way?" • No one travels far down the road without confronting the sobering reality that life can be hard. The book of Nehemiah is a case study in overcoming life's challenges. Wave after wave of pain pounded on the shores of Nehemiah's life, but he kept standing strong. A tsunami of relational, financial, and spiritual attacks came, but he withstood it all in the power of God. As we meditate on Nehemiah's story, we discover the hope and victory that come when we walk in God's wisdom through the challenges of life.

Customer Reviews

I ordered this for a deeper understanding of the book while I was engaged in a small group study of the book of Nehemiah by Kelly Minter. The book offered a unique perspective and thoughtful, questioning approach. As a result, I wrote a devotional message for our church blog. This was definitely a worthwhile purchase.

Sometimes life throws one thing after another at you until you feel overwhelmed. This Bible study walks you through the book of Nehemiah delineating the steps that Nehemiah used when he motivated the demoralized, battered, strayed Israelites to rebuild their wall in spite of sabotage and

rebuild their faith in spite of their straying. A good book to go back to regularly.

This is a book every one should have in their library. It not only is an excellent Bible Study but contains many every day practical applications. I have recommended to my Bible study leader. Betty
